

THINK OF A STROKE AS A TIME BOMB.
AND 911 AS THE HOTLINE TO THE BOMB SQUAD.

As soon as you or a loved one experiences even one sign of stroke, **call 911 immediately.** New treatments may prevent death or disability, but only if they are given within the first three vital hours after the first sign of stroke. The signs of stroke are:

-  Numbness or weakness on one side of the body
-  Confusion or trouble speaking
-  Loss of balance or coordination
-  Blurred vision
-  Severe and sudden headache
